I, Chris Warren, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Three weeks

Additional Ground 1

Prior to the trial, my lawyer told me that the pill that was found was a Lorazepam. I told him that I would fax him copies of the prescriptions that I had for that. Over the next couple of weeks I faxed several batches of prescriptions, three or four at a time. After each fax I would call him to verify the fax had been received. So there were several opportunities for him to notice that the prescriptions were for Lorazepam. Then

Additional Ground 2

at 6pm the night before the trial my lawyer calls me to tell me that ~~he~~ he was mistaken about the kind of pill it was. He said it was Diazepam and not Lorazepam. Consequently, I had no time to ~~fax~~ a prescription before the trial the following day. locate

If there are additional grounds, a brief summary is attached to this statement.
